- TERMS & CONDITIONS -

Terms:	3 Years
Compounded:	Every 6 months
Filter Discount:	($20.00)
Free Shipping Disc:	($15.00)
Total Discount:	($35.00)

On enrollment to this 3-year program, Richway International will ship to you one filter replacement for every 6 months (total of 6 filters). As a benefit to bring on the program, each filter will be shipped to you, free-of-charge (reg. $15.00). In addition, customers will also get an additional $20.00 discount for each filter. Altogether, you will save $210.00!

To complete this order, fax or email this completed agreement to:

(808) 597-1651 or customerservice@richwayusa.com

For questions and inquiries about this program, please contact us at (808) 589-2800.

The Alkal-Life Water System is an advanced purification ionizer that plays a vital role in our health and provides for us a better way to apply the use of water in our everyday lives.

In order to maximize the benefits, the system uses a high performance active carbon filter that removes microscopic organisms and water clustering. The tourmaline enclosed in the filter also plays a crucial role in sieving out contaminants to deliver pristine water.

Over time, however, mineral buildup and chlorine residuals may clog the channel. As a result, the water pressure may increase causing internal damages and malfunctions to the water system. It is recommended that a filter be replaced after the cycle of use of 792 gallons, or 3,000 liters (Alkal-Life 7000sL) or 2,500 gallons, or 9,450 liters (Alkal-Life 3000sL).

Replacement will allow your water system to function properly. Richway International advocates the investment of replacement filters. To illustrate this, we offer a replacement program that will also help you save money.

My Signature indicates that I have read, understand, and accept all of the Terms and Conditions outlined on this Alkal-Life Filter Discount Program Agreement.
